WELCOME

Dear Parents

Thank you very much for taking interest in our little school. We would love to show you around by booking a tour; please contact us to make a booking to view our incredible school. In the mean time we can give you as much information as we possibly can.

Kandies Kids is a "home away from home." We pride ourselves in providing the best possible care and schooling for your child on a daily basis.

Adopting a holistic approach to teaching our children ensures that your child has a well-rounded education, developing them - socially, emotionally, physically as well as intellectually. Our daily routines are specifically designed per age group guaranteeing that every child reaches their full potential, with a curriculum that is age appropriate, which is intended to stimulate and encourage developmental stages within all age groups.

Our Grade OO and R classes follow a CAPS aligned and approved framework that ensures that they reach their milestones that will get them ready for Grade I.

Kandies Kids also offers a free 'Enrichment Program', that has been incorporated into our daily program. This includes:

- Science and discovery lessons, that overlap into gardening, baking and construction.
- Library days
- Fantasy play and dress up
- Movement & Ball skills class

Kandies Kids is also affiliated to 3 private feeder schools, namely: Our Lady of Fatima, Clifton Collage and St Henrys Marist College. We invest in the future of our children, providing them with wonderful opportunities at some of the best schools.

We offer a full day and half day package that includes 2 cooked meals a day, breakfast and lunch, that follows a 2-week menu; as well as healthy snacks and refreshments twice a day.

Our baby class caters for babies from 3 months.

Our Infant Room is in a quiet and serene setting where your baby will be nurtured and loved in a home like setting.

For babies that are walking, from 15 months to 24 months.

We offer a wonderful program for our babies that focuses on the whole child. This package also includes 2 cooked meals a day, breakfast and lunch that follows a 2-week menu; as well as healthy snacks and refreshments twice a day.

Baby Muscle and Movement Program

We run a specialized movement program for our babies where we focus on core development and stimulation of their reflexes. We also do baby massage which is wonderful for soothing your little one and stimulating nerve endings.

Packages

Full Day Package R4 200.00 per month

Half Day Package R4 000.00 per month

Babies Package R4 400.00 per month

To enrol your little one with us we will need the following documentation:

- Filled out enrolment form
- Copy of mom & dads ID
- Most up to date immunization form
- Birth certificate
- Once off enrolment fee R750

Once our enrollment process is finalized, we will send you an acceptance letter, welcoming you and your child to our Kandies Kids Family. We look forward to meeting you.

Yours with a smile

The Kandies Kids Family

“Children learn what they live”
